## AutoCAD LT<sup>®</sup> 2010

Experience the efficiency, power and reliability of AutoCAD LT 2D drafting software, the professional choice.

# YEAR END SALE

AutoCAD LT<sup>®</sup> 2D drafting and detailing software is the professional choice because we focus on boosting your productivity. A comprehensive set of 2D tools allows you to accurately and efficiently create, modify, and document your drawings. Using the genuine DWG file format provides stability and compatibility when you communicate with clients and colleagues. And you can optimise the software for the way you work with menu and user interface options. Packed with powerful features, AutoCAD LT is built for drafting.
